

List of Participating Dentists Southern California Counties

Welcome to California Dental Network! You may select from among the dental offices in this List of Participating Dentists, or view our most current list online at www.caldental.net. They are listed alphabetically by county, and then by city. Find the one that is most convenient for you and your family members to receive dental care.

Check the dental office listing that you select to make sure it accepts your Plan (411, 460, 505, etc.) and to see if a staff member at the office speaks your language.

Enter your selected dental office number, located directly above the dental office listing, on the Enrollment Application in the box titled "Dental Office Selected". If you do not select a dental office when you enroll, our Member Services Department may assign you to one, based upon their estimates of the closest office to your home.

If you need assistance or wish to change your selected dental office, please feel free to call our Member Service Department any time at (714) 479-0777 or toll-free at (877) 4-DENTAL (433-6825). If you call before the 20th of any month, your change will become effective on the first day of the following month.
